

A man with dark, wavy hair and a beard is looking down. He is wearing a dark navy blue long-sleeved sweatshirt with the "can-am" logo in white script across the chest. He is also wearing teal-colored cargo pants. In the background, a black and white utility vehicle, possibly a golf cart or maintenance car, is parked on a grassy area with trees in the distance. The lighting is bright and natural, suggesting an outdoor setting.

HOW TO MEASURE

- For best results, have someone else take measurements.
- Measure body in underwear.
- Tape must be snug but not tight.
- If measurements fall between two sizes, order the larger size.

1 HEAD	Around your head, from the center of the forehead, above the ears and over the natural bump at the back of the head.
2 ARM LENGTH	Let the hands hang down on the side in a slightly bent position. Measure from the center of the back of your neck, along the length of your arm, to the wrist.
3 CHEST / BUST	Measure under your arms, around the fullest part of your chest.
4 WAIST	Measure around your natural waistline, keeping one finger between the tape and body.
5 HIPS	Across the fullest part of the seat.
6 INSEAM	Without shoes, from crotch to the floor.
